CHAPTER 10
ETERNAL BY JEFFREY COURT™

30TH
ETERNAL
ANNIVERSARY

A COLLECTION BORN TO LEAVE
ITS MARK, A COLLECTION
CREATED TO BE...

We are proud to announce after a long road of wonderful adventures, we are celebrating our 30th anniversary!

30TH
ANNIVERSARY

Jeffrey Court was founded with a clear goal: to bring cutting-edge products made with passion and innovative design to your spaces. The formula for our lasting legacy and current industry leadership is based on three solid principles that have guided us throughout the years.

Timeless and fashion-forward design.

Constantly pushing the envelope, we carefully design new and unique products that are designed to enhance living spaces with the warmth, love and laughter that families and friends love to be a part of.

Quality you can count on.

Timeless designs are the cornerstone of Jeffrey Court, and lasting designs require lasting products. We work with the best suppliers across the world who allow us to bring you the best in natural stone, ceramic and glass products.

Constant product improvement.

Throughout our 30 years of experience, we have worked to bring you only the best quality products. Our team is continuously researching and testing our products and are always striving for new ways to create eternal impressions.

OUR INSPIRATION

“IF YOU WANT TO GET THERE FAST, WALK ALONE. IF YOU WANT TO GO FAR, WALK IN A GROUP.”

CELEBRATING EACH MILESTONE OF OUR 30 YEAR HISTORY

At Jeffrey Court, we want to highlight each of the milestones in our history as key moments that have allowed us to achieve longevity in our industry. Every step whether big or small has played an essential role in our journey and has allowed us to become the premiere decorative tile brand of choice for our partners and customers.

As we celebrate our 30th anniversary, we are focusing on seven of our most impactful moments that have played a key role in our growth and development. To honor these milestones, this collection is made up of seven mini collections, each paying homage to key milestones throughout our history and celebrating Jeffrey Court moments in our customers' homes.

30TH ANNIVERSARY COLLECTION

Fête

Page 8

1991

An acknowledgement that not all celebrations have to be a formal affair, Fête marks Jeffrey Court's establishment in 1991. Built around a cream colorway, the designs found in Fête focus on straight lines and geometries.

Garden Party

Page 14

1998

Centered around enchanted green hues, and playful and whimsical designs, Garden Party celebrates our growth as we began working with international suppliers to bring a variety of designs and materials to market.

Matinee

Page 20

2000

Matinee focuses on our dramatic growth as we multiplied our catalog and expanded our design focus.

Dazzling colors accented by an array of blue shades and one-of-a-kind mosaic designs are at the core of this collection.

Debutante

Page 28

2003

Marks Jeffrey Court's national debut as we officially began offering our products across the entire U.S. Debutante celebrates this with dominant pink shades, curves and rounded shapes while employing youthful, modern, and feminine themes.

Derby

Page 36

2005

Commemorates the founding of Jeffrey Court's current corporate headquarters as we solidified our role as a key player in decorative wall tile. The materials are the champions of this mini collection. Textured brown marbles and dramatic brown veining stand out with geometric prints.

Masquerade Ball

Page 42

2016

Honoring the importance of our 25th anniversary, Masquerade Ball takes on a modern classic look. White marbles accented with vivid veining in lilac hues are intensified with distinctive designs.

Black Tie

Page 48

2021

As we celebrate our 30th anniversary and set our eyes on the future, Black Tie centers around high contrast black and white designs. From classic marble with subtle veining to more dramatic stones, this is a true representation of elegance and sophistication.

Please Note:

All product shots are artistic interpretations of actual product. Due to the nature of the printing process, we recommend obtaining physical samples of product for actual color representation.

Chapter 8 Europa Arte was designed to have shade variation and character associated with handmade products. Care should be taken to blend product from multiple cartons and product should be laid out prior to installation to ensure a proper, uniform look. A high-quality white thinset should also be used during installation. Please visit JeffreyCourt.com for additional installation and application details.

▲ WARNING: This product can expose you to chemicals including crystalline silica which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

CAUTION: SILICA DUST HARMFUL IF INHALED. Exposure to silica dust from cutting, grinding, or polishing can cause acute lung injury, silicosis, or cancer. Wear a respirator when cutting, grinding, or polishing. Use wet cutting methods and do not dry cut. Children should not be present during cutting, grinding, or polishing.
